

Dear Parents/Carers,

As this weekend saw us commemorate Remembrance Sunday, I would like to share some of the fantastic learning that Year 2 have been doing as part of their History topic on Remembrance. On Monday 2nd November, Year 2 had a special visitor, Mr Peter Daniel, who brought in different artefacts relating to World War I. Children learnt about the British soldiers, life in the trenches and local war hero William White whose grave is in St Paulinus Churchyard (which they also visited in the afternoon).

They learnt about the monumental role that Crayford played during this war, the place where gun machines were made and also about the Plane factory which made the plane to take the first trans-Atlantic flight. The children were so engaged in this learning experience; we would like to say a huge thank you to Peter Daniel for such a wonderful day!

Yours sincerely,
Miss K Salisbury
