

# Pupil premium strategy statement 23/24 – St Paulinus CE Primary School

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

## School overview

Detail	Data
Number of pupils in school	St Paulinus CE Primary School
Proportion (%) of pupil premium eligible pupils	8%
Academic year/years that our current pupil premium strategy plan covers	1
Date this statement was published	July 2024
Date on which it will be reviewed	July 2024
Statement authorised by	Mrs C Rhodes
Pupil premium lead	Mrs C Rhodes
Governor / Trustee lead	Mrs S Smith

## Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£29005.00
Recovery premium funding allocation this academic year <i>Recovery premium received in academic year 2023/24 cannot be carried forward beyond August 31, 2024.</i>	£2440.83
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0.20
<b>Total budget for this academic year</b> <i>If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year</i>	£31,445.63
<b>Actual Spend</b>	£26,235.66
<b>Carry forward to 24/25</b>	£5,209.97

# Part A: Pupil premium strategy plan

## Statement of intent

*At St Paulinus CE Primary School, it is our intention that all pupils, irrespective of their background or the challenges that they face, learn in an environment that allows their educational, emotional, spiritual and social development to flourish. We want all of our pupils to make good progress in these areas, including those who are already high attainers. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve this goal and realise their own unique gifts. As children of God we strive to ensure our pupils nurture their gifts, including those of knowledge, curiosity, resilience, respect, spirituality, creativity and love. "Having gifts that differ according to the grace given to us, let us use them" (Romans, 12:6), so that our school is a happy, caring place where everyone is valued, safe and able to learn and grow.*

*Our strategy is also integral to the wider school plans for education recovery and concentrates on a small number of priorities in areas that are likely to make the biggest difference to pupils, including those who are not disadvantaged, whose education has been worst affected. Our strategy takes into account an in-depth understanding of any academic and wider challenges that our disadvantaged pupils face, as well as their levels of attainment and academic progress. It also recognises challenges common between disadvantaged and non-disadvantaged pupils and aims to benefit both parties. We focus on effective implementation and robust diagnostic assessment of the activities outlined in this statement.*

*To ensure a sustained impact, our strategy is aligned with our Curriculum and Christian vision and existing practices. All of our outlined activities will be implemented and underpinned by an intent to develop our children's knowledge, creativity and curiosity so they have the ability to be critical thinkers, respect and love to ensure they are good communicators, build their capacity to be resilient and spiritual to prepare them for, and encourage them to be appreciative of, the diversity that they will experience in their lives.*

*Quality first teaching, targeted academic support and wider strategies form our tiered approach. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.*

*To ensure they are effective we will:*

- *ensure disadvantaged pupils are challenged in the work that they're set*
- *act early to intervene when need is identified*
- *adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve*

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	The Curriculum in some areas needs to be developed as pupil premium children in particular struggle to retain knowledge and skills and therefore to make links reducing chances of good or better progress.
2	Attendance and persistent absence for pupil premium children is a barrier to learning as this leads to gaps in their knowledge and skills meaning that their understanding is fragile.
3	Where pupil premium children have multiplicity of need, there are gaps in social skills and speech and language which need closer targeting through small steps assessment and following up through targeted intervention
4	There is a small number of pupil premium children in both KS1 and KS2 who either are not on track to be phonic ready or need to make accelerated progress to be ready for the end of their primary schooling. These pupils need targeted intervention support in order to reduce the barrier their Literacy skills and knowledge pose to their wider learning.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
In Geography, History, Art, DT and Science, pupil premium children are significantly more able to talk through the sequential approaches seen in the units of the wider curriculum. They are able to evidence that they know and remember more, making links between learning to aid their cognitive load and have a firmer grasp of technical vocabulary.	Pupil premium children across the school significantly increase their achievement at both expected and greater depth in Geography, History, Art, DT and Science
Attendance and persistent absence for pupil premium children will have significantly improved leading to improved outcomes and progress for pupil premium children in all year groups.	Persistent absence and attendance is better than national for all pupil premium children Pupil premium children are evidenced both through formative and summative assessment to have reduced gaps in their knowledge and therefore are more secure in their understanding.
Reduction of gaps in social skills and speech and language for pupil premium children	Improved speech and language and social skills leading to improved mental health and

targeted enabling access to full curriculum and reducing oracy barriers as well as cognitive overload.	wellbeing amongst the group and confidence evidenced through pupil voice and review.
There is improved support for pupil premium children both in phonics and wider reading through better targeted and more responsive interventions.	Increased percentage of children achieving the expected standard in phonics in both year 1 and year 2. Increased percentage of children achieving age related expectations in reading

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention) Budgeted cost: £7127.80

Activity	Evidence that supports this approach	Challenge number(s) addressed
Introduce a more precise curriculum for Geography, History, Art, DT and Science, feeding into Early Years to ensure sequential learning, systematic <b>retrieval practices</b> , support technical vocabulary instruction and increased clarity around what we want children to know and remember. Targeting related CPD and Subject Leadership support to improve Quality First Teaching and adaptation for PP children Related Resources	Retrieval Practice: <a href="https://researchschool.org.uk/news/effective-retrieval-practice-what-should-we-consider">https://researchschool.org.uk/news/effective-retrieval-practice-what-should-we-consider</a> <a href="https://www.researchgate.net/publication/306271315_Benefits_from_retrieval_practice_are_greater_for_students_with_lower_working_memory_capacity">https://www.researchgate.net/publication/306271315_Benefits_from_retrieval_practice_are_greater_for_students_with_lower_working_memory_capacity</a>  Sequencing: <a href="https://researchschool.org.uk/durrington/news/curriculum-and-sequencing">https://researchschool.org.uk/durrington/news/curriculum-and-sequencing</a> Retrieval Practice: Kate Jones	1

### Targeted academic support (for example, tutoring, one-to-one support, structured interventions) Budgeted cost: £18,812.86

Activity	Evidence that supports this approach	Challenge number(s) addressed
To employ and train staff to deliver targeted	Effective Teacher Assistant Led Intervention:	4

<p>interventions for both phonics and reading at KS1 and KS2 for pupil premium children.</p> <p>Related Resources</p>	<p><a href="https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions">https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions</a></p> <p>Phonics:</p> <p><a href="https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics">https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics</a></p>	
<p>To train and increase hours for team members to deliver Speech and Language and social skills groups. Purchasing Pivots to support with small steps.</p>	<p>Social and Emotional Intervention Support</p> <p><a href="https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning?utm_source=/education-evidence/teaching-learning-toolkit/social-and-emotional-learning&amp;utm_medium=search&amp;utm_campaign=site_search&amp;search_term=social%20skills">https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning?utm_source=/education-evidence/teaching-learning-toolkit/social-and-emotional-learning&amp;utm_medium=search&amp;utm_campaign=site_search&amp;search_term=social%20skills</a></p> <p>Specific to EYFS</p> <p><a href="https://educationendowmentfoundation.org.uk/early-years-evidence-store/communication-and-language?approach=teaching-and-modelling-social-communication-skills&amp;utm_source=/early-years-evidence-store/communication-and-language&amp;utm_medium=search&amp;utm_campaign=site_search&amp;search_term=knowledge%20and%20skills">https://educationendowmentfoundation.org.uk/early-years-evidence-store/communication-and-language?approach=teaching-and-modelling-social-communication-skills&amp;utm_source=/early-years-evidence-store/communication-and-language&amp;utm_medium=search&amp;utm_campaign=site_search&amp;search_term=knowledge%20and%20skills</a></p>	3

**Wider strategies (for example, related to attendance, behaviour, wellbeing) Budgeted cost: £295.00**

Activity	Evidence that supports this approach	Challenge number(s) addressed
To increase the use of the EWO service in order to more closely target attendance and persistent absence for our pupil premium children.		2
Targeted Resources for Adaptation to improve Wellbeing / Reduce Class based anxiety		2

**Total budgeted cost: £26,235.66**

## Part B: Review of the previous academic year

### Outcomes for disadvantaged pupils

Our external data showed:

#### Reading

Key stage 2 attainment of the expected standard (100+) in reading (87%) and the high standard (110+) in reading (33%) was above the provisional national average for 2023 (73%) For Pupil Premium children this stood at 100% for the expected standard and 50% at the high standard.

#### Writing

Key stage 2 attainment of the expected standard in writing was 90% which was significantly above the provisional national average for 2023 (71%) For Pupil Premium children this stood at 100% for the expected standard.

#### Mathematics

Key stage 2 attainment of the expected standard (100+) in maths (90%) and the high standard (110+) in maths (27%) was above the provisional national average for 2023 (73%) For Pupil Premium children this stood at 100% for the expected standard.

#### Other Attainment measures:

In Year 1 70% of children met the threshold in Phonics which includes 50% of PP children (1/2)

In Year 2 90% of children met the threshold in Phonics by the end of the year which includes 67% of PP children (2/3)

#### Wider Impact:

Through a greater engagement in activities around mental health and well-being including the celebration of various national days children are clearer on how to keep themselves mentally healthy as referenced in pupil voice. The vast majority of pupils have a trusted adult in school they would be happy to talk to about any issues.

### Externally provided programmes

*Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.*

Programme	Provider
White Rose Maths	White Rose (annual cost)
Times Tables Rock Stars	TTRS (annual cost)
Science Ninjas	CLEAPS (annual cost)
PIXL	PIXL (annual cost)
