

Dear Parents

Applications for Academic year 2025/2026

Thank you for considering St Paulinus C.E. School for your child. St Paulinus is a very popular, high achieving, happy school where children's needs and Christian values are at the heart of everything we do. Our aim is that children work and play in a stimulating, challenging and structured environment where they are excited and motivated about learning. We have strong links with the Parish Church and our links with the local community stretch within and beyond the school.

Our school is an academy and forms one of six schools in Amadeus Primary Academies Trust (APAT). Our purpose is to work collaboratively, build excellence, aspiration and improvement for all our children and young people with all of our schools.

We have extensive grounds including a wonderful woodland area, ponds and a large field and these are all used to extend and enhance the children's learning. Our school motto is '**We can achieve when we believe**' which highlights our desire for all children to achieve to the very best of their ability and believe in and value themselves and each other. We are extremely proud of our school and I invite you to visit our website (www.stpaulinus.apat.org.uk) to see more details.

Included in this pack is our own application form and the clerical reference form (to be completed if applicable), our admission criteria and the Local Authority papers and guidelines. Although you apply online to the Borough, our supplementary application form and clerical reference form **must be completed and returned to the school** by 15th January 2025.

We will be holding school tours every Tuesday at 9.30am. To book your place please contact the school office on 01322 523236.

I look forward to meeting you.

Yours sincerely

Charlotte Rhodes
Principal
