

# Stream

The stream is where you will find messages from your teachers. Check this often - teachers will be posting messages throughout the day.

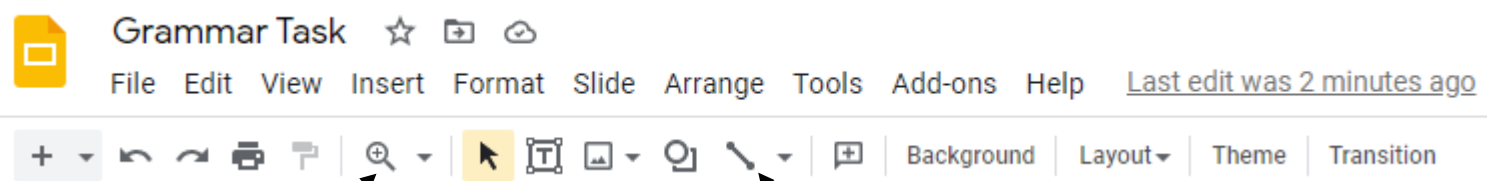

# Classwork

Classwork is where you will find all of your tasks.

# Google Slides:

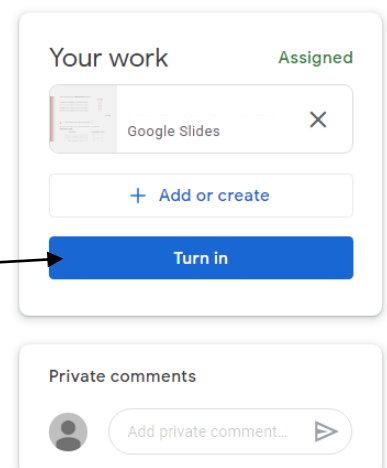

Use this tool to **zoom** in and out.

**Text Box Tool:** Use this tool to draw text boxes onto the slide that you can type answers into.

**Line Tool:** Use this tool to underline parts of the slide or draw lines to match things.

## How to Turn In your Google Slide:

1. Close the slide by clicking the x (your work is automatically saved). You will then be taken back to the instruction page.
2. Click **Turn In**

# Google Docs

You can type straight into a Google Doc. Once you have finished typing, click **TURN IN** in the top right hand corner.
