

SUMMER TERM 1: 30 APRIL 2021 NEWSLETTER 5

Dear Parents and Carers,

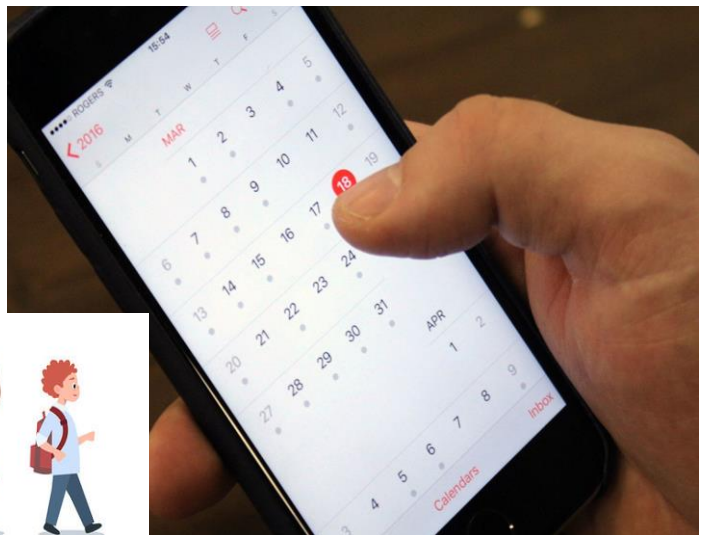

This week we are launching an exciting competition for the pupils to enter! We are looking for three KS1/EYFS pupils and three KS2 pupils to take on the roles of Executive Head Teacher, Head of School and Office Manager for the day! Full details of the competition will be sent out to you via ParentMail.

Through running this competition, we hope to provide an exciting and insightful day for the winners, and also raise some money for the school that can be put towards new curriculum resources for the children.

You may have seen that we have a brand new school website. Teachers will be receiving training on how to use the new website this half term. They will then update the class pages so that you can read about, and see photographs of, what the children have been doing in school. We hope that new features on the website, such as the school calendar that you can synch with your mobile phone calendar, will be useful to you. To add the school calendar to your phone calendar, simply open the school website on your device, click on the calendar, press subscribe and follow the instructions.

Yours sincerely,

Miss K Salisbury
Head of School

Covid Testing

We are aware that many of you are doing the weekly lateral non-asymptotic Covid testing to detect whether you have Covid. However, if a child or adult is showing symptoms (a new continuous cough, a high temperature, a loss of, or change in, your normal sense of taste or smell) then you will need to self-isolate (and this includes family members) and book a PCR Covid test. We are unable to accept a negative lateral test for a pupil to come back to school as the lateral tests are for no symptoms. Thank you for your support.
