

Dear Parents and Carers,

As a very unusual spring term draws to a close, I would like to praise our amazing pupils who have once again transitioned back into school so well after a long period of being away from their teachers and classmates. It has been great to have everyone back in school together again, our classrooms and playground full and buzzing with activity.

As we go into the Easter holiday, I hope that this special time in the Christian calendar provides you with an opportunity to spend some quality time as a family and think about the new beginnings that Easter represents.

Yours sincerely,
Miss K Salisbury
Head of School

Wednesday 31st March – early finish. Reminder of pick up times

Year R, Y2, Y5, Y6: 1.20pm

Year 1, Y3, Y4: 1.30pm

As always, parents and carers with children in more than one-year group should arrive at the earliest child's or KS1 from the front of the school. There will be no after school club on Wednesday. Children should wear school uniform or PE kit, as usual.

Covid Testing over Easter Holidays

Parents are encouraged to carry on with lateral testing over the holidays. If your child has symptoms & then tests positive within 48 hours of last being at school, please email covid@st-paulinus.bexley.sch.uk so we can notify contacts. This should be done within 6 days of term ending. The school will not be expected to notify any contacts after 6 days ending. The NHS Track and Trace system should be used instead.

Advanced Notice: Parent/Teacher meetings via Zoom

After the Easter holidays we will be sending out information about booking a meeting with your child's class teacher to discuss their wellbeing and academic progress. Meetings will be held via zoom during the summer 1 term.

School Meals

School meal costs for Summer 1 will be £67.20 (28 days) (£2.40 per day/£12.00 per week). Payment can be made on Sims Pay.

A gentle reminder that packed lunches must be healthy. We are a nut free school therefore please do not include anything that contains nuts of any description in your child's packed lunch as we do have children with nut allergies.
