Deputy Head Teacher Miss K Salisbury

As you are aware, we are doing our best to provide Covid – 19 updates as the difficult situation evolves. In line with Government recommendations as further control measures the following school activities have been cancelled until further notice;

Monday: After School: Netball Club

Tuesday: After School: Cricket Club

Wednesday: Brass lessons (during school day)
Woodwind lessons (during school day)
After School: Orchestra
After School: Football Club

Thursday Violin lessons (during school day)
Swimming lessons to Erith Leisure Centre (during school day)
After School: KS2 French Club
KS1 French Club (during lunchtime)

As mentioned previously parents evening will also be postponed and rearranged for a later date as a further controlled measure to mitigate the risk of irregular visitors/ adults attending the school unless absolutely necessary.

With future events (ie Royal Festival Hall, London Zoo, Year 3 and 4 Show) we will update you if they are cancelled/postponed as soon as we are made aware.

In event of a school closure we are already considering work that children will be able to complete at home, therefore children will be bringing home with them their purple mash login details. Purple mash is an online learning program which they can access at home.

We appreciate that this communication may be overtaken by government decisions as plans/ measures are being changed daily but, until that time, we shall endeavor to provide as normal an educational provision as possible.

We would like to again thank you in advanced for your full support and co-operation with the school during this uncertain time.

Yours sincerely

Mrs. S Young
Head Teacher
